PROBABLE CAUSE STATEMENT

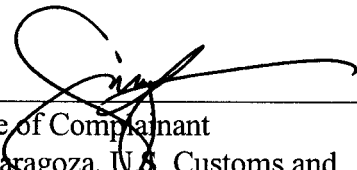

The complainant states that **Juan Daniel PONCE-Cabrera** is a citizen of a country other than the United States; that said alien has admitted he is deportable; that his testimony is material; that it is impracticable to secure his attendance at trial by subpoena; and that he is a material witness in relation to this criminal charge and should be held or admitted to bail pursuant to Title 18, United States Code, Section 3144.

On December 18, 2007 at approximately 1654 hours, **Jose Luis RIOS-Flores (Defendant)** made application for admission into the United States at the Otay Mesa, California Port of Entry as the driver and sole visible occupant of a 1995 Nissan Maxima. Defendant presented to a Customs and Border Protection (CBP) Officer a photo altered DSP-150 Laser Visa Card bearing the name Guillermo LOPEZ-Rivera. The CBP Officer performed a cursory inspection of the vehicle and noticed several scratches on the body of the vehicle and unusual cleanliness inside. When the CBP Officer opened the trunk, people were discovered concealed within. Defendant and the vehicle were escorted to secondary for further inspection.

In secondary, CBP Officers assisted two males from the trunk of the vehicle. Further investigation revealed both males to be citizens and natives of Mexico without entitlements to enter, pass-through, or reside in the United States. One is now identified as **Juan Daniel PONCE-Cabrera (Material Witness)**.

During a videotaped proceeding, Defendant was advised of his Miranda rights and elected to submit to questioning without benefit of counsel. Defendant admitted knowledge of the undocumented aliens concealed in the trunk of the vehicle. Defendant admitted he was smuggling the aliens into the United States to have his smuggling fee reduced from \$4,000.00 to \$200.00 USD. Defendant stated he was taking the vehicle to Palomar Street off of the Interstate 5 where someone would meet him and take possession of the vehicle.

During a videotaped interview, Material Witness declared he is a citizen of Mexico without legal right to enter the United States. Material Witness stated he was going to Temecula, California to seek employment. Material Witness stated he was going to pay approximately \$2,000 USD to be smuggled into the United States.
